ABRS PROGRESSIVE TESTS

On some weeks during holidays we have an examiner here for the ABRs progressive tests. This is a national scheme, the certificates for which can be added to your school record of achievement – useful additions to academic stuff when applying for University!

If you would be interested in being tested whilst here please indicate here. We will then contact you if a date coincides with your holiday.

If you already hold an ABRs certificate, please make sure you have filled it in overleaf.

SAFETY AND BEHAVIOUR AGREEMENT

The safety, happiness and enjoyment of all children is our utmost concern. We therefore expect all children to show respect for, and to follow the instructions of our staff at all times. In the rare event of behaviour which is deemed to be unsafe, or of bullying resulting in other members of the group becoming upset, we reserve the right to ask you to collect your child without refund.

Although every care will be taken, riding is a risk sport and ponies are unpredictable. Willow Farm has up to date Public Liability Insurance, but you may consider taking out additional accident insurance for your child/children.

I have read the above and agree to this policy for everyone's safety and enjoyment.
